We have also placed Gasoline Tax Refunds of \$12,347.76 to the Reserve for Garage Buildings, which Reserve now amounts to \$33,711.80.

DEBENTURE ISSUES

The following Debentures were disposed of during 1949:

By-Law No.	Date of Issue 1949	Object	Amount	Date of Interest	Rate of Int.	Period of Years

1274	Dec. 1	Water Dist. Sys. Extns.	763,000.00	June 1-Dec. 1	3%, 3½%, 3¾%	30
			\$9,819,614.75			

During the year a Refunding Issue amounting to \$5,571,000.00, at lower rates of interest was made, payable optionally in Canada or the United States, redeemable over a period of ten years 1955 to 1964 inclusive. This Refunding Issue replaces the 3 $\frac{1}{2}$ % and 3 $\frac{3}{4}$ % Series "B" Debentures issued May 15th, 1944 and will result in a substantial saving in interest costs over that period. In addition to the Refunding Loan new Debenture Issues as tabulated above amounting to \$3,038,000.00 were made for Utilities Plant Extensions and \$762,000.00 for Sewers. The remainder of the Debentures tabulated above amounting to \$448,614.75 are Debentures issued for Property Share of Local Improvements done in 1948 and sold to The City of Edmonton Pension Fund.

FUNDED DEBT

The Funded Debt of the City as at December 31st, 1949, was \$21,688,112.26 which is an increase of \$2,795,679.02 from the previous year.

This Debt is allocated as follows:

General	\$ 12,535,786.70
Utilities	7,466,908.28
Local Improvements, Property Share	1,685,417.28
	<u>\$ 21,688,112.26</u>

Despite the large Reserves the City was able to build up during the the war years when Capital Construction was at a virtual standstill and which provided money for large Capital Expenditures in the years 1947, 1948 and 1949, the Gross Funded Debt has increased \$5,153,480.00 since the end of 1946.

Expenditures for permanent improvements financed by Reserve Funds since the end of 1946 amounts to \$10,048,504.00, of which \$4,844,038.00 was spent by the Utilities for Extensions to the existing Plants and \$5,204,466.00 was spent for Public Works and Services. These Reserves are now greatly depleted and Capital Expenditures will necessarily have to be financed in the future almost entirely by the sale of Debentures. There is a limit in the amount that the City can borrow through the sale of Debentures and also to the amount of debt on which it can pay debt charges, and I would respectfully recommend that during the next several years all new Public Works be restricted to those which are absolutely essential and, without which, the City could not well function.

This year a new policy was instituted whereby Sewer Laterals and small Service Watermains for the servicing of property were constructed as Local Improvements, the annual Financing Charges being assessed against abutting Property on the basis of fourteen cents per foot for Water and eleven cents per foot for combined Sewerage and Sewer Service, for which the necessary Property Share Local Improvement Debentures will be issued. The above policy was put into effect during the year and the aforementioned levies will be in addition to the levy of ten cents per foot on Sewer Laterals to provide Funds for Maintenance and Operation.

SCHOOLS' DEBENTURE DEBT

The Debenture Debt of the Edmonton Public and Separate School Districts as at December 31st, 1949 was as under:

The Edmonton Public School District No. 7	\$ 5,674,000.00
The Edmonton R.C. Separate School District No. 7	793,000.00
	<u>\$ 6,467,000.00</u>

THE SINKING FUND OF THE CITY OF EDMONTON

Edmonton, Alberta,
March 20th, 1950.

His Worship, The Mayor
and Members of the Council
of The City of Edmonton.

Dear Sirs:

We submit, herewith, the statements of the Sinking Fund Trustees of The City of Edmonton for the year ended December 31st, 1949. They are:

Sinking Fund Account.
Reserves Fund Account.
The City of Edmonton Pension Fund Account.

SINKING FUND

The net earnings of the Fund for the year were \$19,848.87, which have been paid to the City.

RESERVES FUND

The assets of this fund at December 31st, 1949, were \$2,087,630.39 as compared with \$3,844,721.73 at the previous year end, being a reduction of \$1,757,091.34, this being due to the sale of \$1,770,000.00 Dominion of Canada Victory Bonds, proceeds of which were paid to the City.

The net earnings were \$160,542.42 of which, an amount of \$53,575.50 was placed in the "Surplus Earnings" after meeting the interest requirements of the Fund. This substantial surplus was made possible through the premium received in the sale of the above Victory Bonds.

PENSION FUND

The assets now total \$2,773,144.93 and all pensions due to December 31st, 1949, have been provided for.

During the year 43 employees retired, while 193 left the service and had their contributions refunded. Retirements paid from the City's portion totalled \$80,294.82 and employees contributions disbursed either as retiring allowances or refunds, totalled \$67,089.70.

The total number of employees contributing to the Fund at December 31st, 1949, was 2,332.

It is the policy of the Board, wherever investments were bought at a price over par, to write the book value down to par, the excess cost being absorbed by Earnings Account or Investment Reserve. Investments bought below par are shown at cost.

Respectfully submitted,

THE SINKING FUND TRUSTEES OF THE CITY OF EDMONTON,

J. HODGSON.
